October 30, 2020 Update 121

**See our movie clips, just click the link:** You **DON'T** have to **Sign Up** with Vimeo to watch the clips, just click in the center of the picture. **There are 6 new clips!!** <https://vimeo.com/473664415> Also I write a little about each clip. There are a few clips on our northern trip, as well as a few of our Bible Study.

**Jeremiah 17:5 Thus says the LORD: "Cursed is the man** who trusts in man and makes flesh his strength, *whose heart turns away from the LORD.*

**V 6** He is like a shrub in the desert, and shall not see any good come. He shall dwell in the parched places of the wilderness, in an uninhabited salt land.

**V 7 "Blessed is the man** who trusts in the LORD, whose trust is the LORD.

**V 8 He is like a tree planted by water**, that sends out its roots by the stream, and **does not fear** when heat comes, for its leaves remain green, and is **not anxious** in the year of drought, for it **does not cease to bear fruit.**"

**V 9** The heart is **deceitful above all things**, and **desperately sick (wicked)**; who can understand it?

**V 10 "I the LORD search the heart and test the mind, to give every man according to his ways, according to the fruit of his deeds."**

## **Shalom to You All,**

*Winter is here and darkness is coming. Within a few weeks we will have 24/7 darkness pretty much, and it's getting colder & colder, in the low teens like 12 F to 14 F, but it could rain tomorrow. Our weather here is like other places, a little abnormal. Although I just walked to the post office a few minutes ago and my face & ears got numb and we are only a football field away. In the next few days we are expecting winds upwards of 40 to 50 mph, not good!!*

Plague Update: *We had a few cases of Corona virus come and go, in nearby towns, but all is normal around here, thank the Lord. It's as if there is nothing happening in the world for us around here, we are definitely isolated from the world living in Greenland.*

## **WINTER MINISTRY UPDATE:**

*As you can see by looking at our website at [www.greenlandlight.org](http://www.greenlandlight.org), we have a winter ministry and a summer ministry. So for now other than our Bible studies and dinner invites, it is more of a one on one ministry.*

*Again, what we are doing here is trying to raise up Greenlandic people in the Lord so they can take the Good News of Jesus Christ to their own people, which I believe is Biblical, and with the new fruit that the Lord has recently produced here, we are beginning to see the hand of God working through a couple of locals. More exciting testimonies about this later in this update !!*

## ***BIBLE STUDIES:***

*This last month we have had a full house twice, literally full, we have a very small house. We have had a few new people come, and the Lord worked in several hearts. One woman named Tina left the room for a minute after I finished teaching and Solveig went to see how she was doing and she broke down in tears and said she has never heard it explained like that before. Her boyfriend told me that she wants to repent, but she hasn't responded to the Lord reaching out to her yet. She was truly broken, she needs prayer, please pray for her & her boyfriend.*

## ***DINNER INVITES:***

*If you recall last month, I think we mentioned we started to invite people over for dinner. Well, here in Greenland people really don't do that kind of thing, it's not common at all. We decided to invite some people we know a little and others we only say hi to as we walk through town. For the ones that have come, it's been a good icebreaker but people here are still very much closed. A few times we have asked, we never even got a confirmation of yes or no. We have invited the local priest, but she still has not responded.*

***Speaking of the priest;*** *A few months back at a church board meeting I had mentioned that we need to open and close the meeting with a prayer from our heart, not from a prayer book that the church uses to pray from. She is now opening and closing the board meetings with a prayer from their heart, whether we are there or not & that's a great breakthrough in a state church of Greenland, and there is more. **Let me explain.***

*A few weeks ago we went to a Wednesday night church service that about 25 or so people attended. That's a good turnout for here, usually it's 6 to 10 people. At the end of the service the priest asked everybody to stand up and gather in a semicircle. Then the priest asked if anybody would like to close in prayer by praying from their heart. The people asked, "do you mean say the Lord's prayer", she said "no, pray from your heart". The people asked, "what do you mean, pray from your heart"? She explained. Also on Sunday mornings she will read scripture and give a little massage. Now I know that's how we do church in the USA but here in Greenland the priest doesn't give a sermon, she does and many people complained that she shouldn't be doing it like that, but she hasn't stopped yet.*

## ***A TESTIMONY OF PRAISE:***

*If you recall the previous updates, there are two young men named **Eddie & Ian** that gave their lives to Christ a few months ago. Both are doing well, growing in the Lord.*

***Eddie:*** *Last week Eddie told me he was in school one day and a student friend he has known for some years now came up to him and said, "You have this kind of shine in your face, what are you doing different these days"? Eddie replies "I gave my life to Jesus Christ and He is now living in my heart". WOW Amen!*

*Also Eddie has started a Bible study in his dorm room that started 2 weeks ago. Right now it's just Eddie, Ian and one other person, but several have shown interest and may come some time. He witnesses to his fellow students and sometimes they just come up to him to ask him a Bible question.*

**Ian:** Ian as well has been growing in leaps and bounds. He is reading the Word and calling up to ask questions just like Eddie. Ian told me he really misses coming to our Bible studies. Then when Eddie decided to start a Bible study Ian was so happy.

A few weeks ago on a weekend home from school he came to our house and we fed him some Mac and cheese, which he loves. We had already eaten so when he sat down to eat he bowed his head and prayed. I asked, do you always pray for your meal, he said, "of course I do, I am very thankful to have all the food we all have". And he continued, "I also pray for my meal in the cafeteria at school." He said, "The first time I bowed my head at school my friends asked what I was doing? I told them I was praying thanking God for my food and they just said oh, OK. I asked him, "were you embarrassed", Ian said NO why should I be!!!! Amen.

There's one more thing that was an answer to my prayers. Last Sunday both Eddie and Ian were streaming the AG Harvest church service. Pastor Steve was teaching Colossians and read 2:12, a verse that talks about baptism. To make a long story short, Ian called me and asked if I would baptize him in a small lake about 20 miles from here, next summer when the ice melts. He wants his family and friends there and anybody else that wants to be baptized too. Praise the Lord AMEN AMEN !!!!! [Please watch our short movie clips at;](https://vimeo.com/473664415)
