

“Light of the World Aid International” Greenland

August 3, 2017 Update 92

Greetings from Greenland,

We are so very happy to be back in Greenland, it has been a different time for us this last year, but we know that the Lord’s hand has been in it.

You all know that “Light of the World Aid International” now owns a Beautiful 48 ft. Ocean Going Ship. We thank you All for your Prayers and Financial support that made it all happen. We are the body of Christ, and in our case, a team of people living the great commission to take the gospel to the Top of the World.

Canada trip, the Team:

If you’re new in receiving our updates, we have been in Newfoundland, Canada for the past about 2 months buying a boat, working on it and preparing her for an Atlantic crossing to Qasigiannuit, Greenland, which is where we live, about 300 kilometers above the Arctic Circle.

We had a great team in Canada working together on the boat to ready her for a 1100 mile trek up the coast of Newfoundland, Canada, across the Labrador Sea to Greenland, then up the Davis Strait, and onward to our village Qasigiannuit.

Ken Hritz and Michael Noonan from Harvest Church came to serve the Lord in helping Solveig & I in many ways while in Canada.

We worked on the boat and other highly needed tasks that helped “Light of the World” in this new mission endeavor to take the Gospel to Northern Greenland. It was such an encouragement working together in the mission field with others from our church. Another set of hands and minds working as one in Christ.

There was sanding and painting to do as well as other projects that needed input from others to help get Light of the World moving in the right direction. We got to know each other in a much more personal way, seeing each other’s hearts and doing God’s work. It brought us closer together, and it truly encouraged Solveig & I to see the likeness of our hearts to take the gospel of Jesus Christ to the “Top of the world”.

Ken was the first person to sleep on the boat and experience how it was going to be once we put her in the water. The boat was still on land so he didn’t get seasick, but next year when we put the boat in the water we’ll see if seasickness becomes an issue with anybody else that might want to join us back in Lewisporte, Newfoundland Canada. It would be a great help, and nice to have a small team of 3 people that can help us finish doing some inside and outside work, getting our boat “Qaamaneq” which

means "Light" in Greenlandic ready for the great trip through Iceberg ally across the northern Atlantic seas. *John 8:12 Jesus said, "I am the Light of the World"*

*"Whoever follows me will not walk in darkness, but will have the **light** of life."*

Our Schedule:

We are in Nuuk, Greenland right now, but we leave tomorrow for a 3 day trip to finally arrive to our destination, Qasigiannuit, where we live. It's a small 2 engine plane ride, 2 days in a hotel then a 3 hour ride on a small boat to our home.

Solveig has to be back in the USA by the beginning of November this year to fulfill her final immigration requirements in the USA so we must be back by then. After she gets her citizenship we will be free to travel back and forth freely.

Then we will be ready to go back to Canada in May of 2018 to finish the boat and take the trip across the North Atlantic Sea to our village. When we arrive in Qasigiannuit with our boat next summer we will be taking a few short trips north for some test runs, if you will, but more on that later.

Looking forward & Planning:

We will be giving you a 4 to 5 year plan once we arrive home in Qasigiannuit and get settled which will take a few weeks. The plan will show our trips to the north, with some of the villages we plan to teach in. It's hard to plan trips so far ahead, even though we pray for guidance. We really don't know which villages God will be accepted in, but we do the best we can and move forward, and being flexible is a big requirement being on the mission field. We pray the Lord will go before us and prepare the hearts of many.

Also by next month we will have a website, (Lord Willing) then you will be able to hopefully have a better understanding of what we do & are planning to do, along with prayer needs and financial needs. We now have a boat to maintain which is needed to take the gospel to the Top of the World.

With the website it will be clearer what we are doing for the lord in Qasigiannuit, and the boat, and with the website you will be able to track us via Google Earth with our new GPS Tracking link system on our website. You can see exactly where we are in the ocean and even text us for questions you might have while traveling north. It will be the only way of contact while traveling north.

Exciting things are happening, so we hope you will join us in prayer for safety and guidance as we take the Word of God to the top of the world.

So Please join us in Prayer and support of His great commission to take the message of Jesus Christ to the top of the world. [Mat 19:26](#)

We Thank You All in the name of Jesus Christ Our Lord, Daniel & Solveig

PLEASE NOTE our new PHONE NUMBER !!!!!!!!!!!!!!!!!!!!!

For Tax deductible Support ***Make check payable to: "Light of the World Aid International"***

New mailing Address: Light of the World Aid International P.O. Box 1091
