Dec 14, 2017 Update 95

Hello Everyone,

We apologize profusely for such a late update, we had thought we sent an update several weeks back and found out we didn't. Much has happened since the last **Received!!!!** update, so we'll do our best to share at least an overview of everything we can.

Returned to The USA:

We have been back in the US now for several weeks getting our feet back on the ground here in the USA. Again to recap, we are back from Greenland to finish Solveig's USA stay to finish her requirement for US citizenship.

We will be in the US until around May 2018, at that time we pray that we have raised the rest of the funds needed to finish the needed upgrades on "Qaamaneq" our newly purchased 48foot Boat. [More on the boat later in this update.....](#)

Also, we will be giving a presentation this January to give an in-depth explanation of several things that are happening in **"Light of the World Aid International"**, our ministry in Greenland. Briefly... We'll be sharing about...

A) Boat Purchase (WHY) B) Finished work & Equipment bought C) Needed Equipment & Supplies for the North Atlantic Crossing D) How to follow the 10 to 14 day trip via Satellite on the web E) The mission (Our 3 Year Plan) going toward the North Pole teaching the Word in small villages on the West Coast of Greenland.

We also have a Greenlandic Couple coming from our village/town where we live, and they too will say a few words about Greenland. And we had visitors that came to Canada to help us with the boat last June from Harvest Church, and they too will say a few words about the boat and ministry, "Light of the World". Lord Willing....

So Please!!!!~~~come join us~~~this January. If you support us in Prayer, Financially, or just want to know about a missionary life, please, join us. We'll let you know the Date & Place as soon as we know their arrival date.

Website Coming:

We have a website under construction right now and it may be finished by February, and as we travel to the northern villages in our boat, we can be seen & tracked via Satellite, and you communicate with us (Text or email) using our new satellite tracker system. The website will also help keep everyone updated with photos and movie clips of events in the Ministry and Greenland.

Visitors from Greenland:

We have a Greenlandic couple visiting in January for about 14 days. This couple has been very instrumental in helping us live and stay in our village Qasigiannqut. Outsiders generally are not accepted in these Northern parts of Greenland but the Lord has used this couple to help us be welcomed and accepted in our village/town. Please show them Love.....

The Boat/Ministry:

After the purchase of "Qaamaneq" our boat, there were a few things that needed repairs. Ken Hritz & Michael Noonan from Harvest Church came to Canada in June to help with the preparations of the boat to make her sea worthy & safe for an Atlantic crossing. The boat is now owned by the ministry, paid in full, Praise the Lord! Now all that is needed are some more upgrades on the boat to complete the mission.

If your're new on our email list here's an update from previous emails; "Light of the World" Bought a 48" ,Twin Engine, Fiberglass Ocean Going Boat in June of 2017. The boat is out of the water on blocks & stands in Lewisporte, Canada.

The plan was to take the boat this year to Greenland but due to weather and needed upgrades, we had to move our target date to first week of July 2018, for a Northern Atlantic Crossing to Greenland. The plan is to teach the Bible in the Northern Greenlandic Villages.

Leaving Greenland Again:

We were only in Greenland about 3 months this trip for various reasons, and the people were very happy to see us, and that we kept our word saying we would be back this year. People were sad to see us go, but happy, that when we return next time, it's to stay. It was a great 3 months!!!!

We thank you very much for your much needed prayers & Support that keeps the "Light of the World Aid International" ministry, reaching out to the lost and

needy people of the Greenlandic World.

Daniel &

Solveig
