MAY 2, 2018 UPDATE 98

Hello Everyone....

*First we would like to thank all the new people that joined “Light of the World” email updates. We send an update **about** every month, and that sometimes depends on our present location. What we mean by that is that at times, we may be at a location in Greenland where we do not have internet access for several weeks.*

Thank the Lord for everything that has been happening in our Greenland ministry.

THE BOAT “QAAMANEQ”

*A lot has happened in the last few weeks, and much more to come. I (Daniel) leave for Canada today, taking the next 2 months preparing the boat “Qaamaneq”, for the Atlantic crossing, which **DEPARTS** July 1, 2018 from Lewisporte Newfoundland Canada, with a destination of Qasigiannguit, Greenland.*

Lord willing, weather will be just right so we can keep our departure date. As for the crossing, it will be a 11 to 14 day voyage, depending on the weather and how many times we anchor while traveling the coastlines.

***BUT** to keep better track of the trip, we have a satellite tracking system that allows us to send a link to anyone via texts or email, and the system sends a link that you click on, and then you zoom in via real*

time satellite view, about 100 feet above the signal. You should see the boat and us if we are on the deck, IF everything works well, we'll be testing it in a few weeks or so. **AND WHERE DO YOU FIND THIS LINK, YOU ASK!!!!** On our new website www.greenlandlight.org

This is our new website, which is being coded as they say, right now, which means we should be seeing it in a week or so. Keep checking. There are still things we are working on to add to the site, like our link to the Satellite for the crossing, and a few other things.

SOLVEIG'S STATUS

The boat has a launch date which seems to be a good & solid go right now (Lord Willing), But Solveig's final testing and requirements have not been finished for her citizenship yet, and that means Solveig can **NOT** leave the US until she has finished everything including being sworn in as a citizen. This time it can take 2 to 10 months.

So, I leave without Solveig and wait upon the Lord to bring us back together again. More on all this later when we have more information as it comes. But for now, I go to Canada and take the boat to Greenland without Solveig, and I will be living in Greenland as Solveig lives in California for several months. Anda, my Greenlandic friend and one other will be my translators for now.

IN CLOSING:

We thank the Lord for making this ministry & voyage possible through all your prayers and support, making it possible to take the Gospel to the top of the world in Greenland. May God bless you all.....More details on the Ministry and the Crossing in our next Update in a few weeks.....

We Thank You All in the name of Jesus Christ Our Lord,

Daniel & Solveig!!!!!!!!!!!!
